

## Scandinavian Beauty Products

### Recipe for Men Under Eye Patches, \$36

Apply this eye patch to hydrate and reduce undereye puffiness and pesky dark circles. The product's Transdermal Cosmetic Delivery™ technology allows active ingredients such as high grade marine collagen and algae extracts to penetrate and hydrate the skin, effectively brightening and improving the area around your eyes.

***This product is available on our sister site, [BeautySage](#), where we only sell products proven to work!***
