Stop the sweat without ruining your shirts with Recipe for Men's alcohol-free antiperspirant.

**What it is:** Recipe for Men Antiperspirant Deodorant, \$22

**Why we like it:** When it comes to putting something on your pits to keep from sweating and stinking, the easier the better. That's why Recipe for Men has cooked up a line of grooming goods that gets the job done without a lot of hassle. Take, for instance, its antiperspirant deodorant, designed to stop wetness and stench for 24 hours. It rolls on quickly, isn't sticky and doesn't leave a dingy stain on your shirt (or anything else you happen to graze with your pits).
